PGS Law is a leading full service law firm, providing expert legal advice to private and business clients.

A modern firm with traditional values, we are based in South Tyneside and have deep roots in the local community. We serve clients from across the North East of England and beyond.

At PGS Law, we pride ourselves on providing a legal service with a difference. Our clients want straightforward, practical advice from people they can trust, so that's exactly what we deliver.

Personal Injury

If you suffer personal injury in an accident or because of negligent medical treatment then you may be able to claim compensation for the injury and other losses suffered (including loss of earnings).

Tony Ward is the head of the Personal Injury Department at PGS Law and is the leading expert in South Tyneside. He has worked in the field of personal injuries and clinical negligence for over 20 years. He has substantial experience in dealing with a wide range of cases and has dealt with many claims where clients have suffered catastrophic injuries and where damages of over £1m have been recovered. He has worked with the leading medical experts and barristers in the country securing awards of lump sum damages and annual payments for clients. Tony is a member of the Association of Personal Injury Lawyers (APIL) and the Law Society Personal Injury Panel.

Tony and his team have expert knowledge in the following areas of personal injury work:

We work on a no win/no fee basis (also called a Conditional Fee Agreement). This means that if your case has good prospects of success we will not ask you for any payment in advance and we will take your case on a no win/no fee basis. If for any reason we are unable to pursue your claim then there is no charge to you.

Tony and his team work exceptionally hard to ensure that injured clients are properly compensated. We deal with large and small claims in the same way – total commitment from the team. Appointments can be organised at home or in our office.

Tony is supported by his team - Deborah McKie and Sarah Dawes.
