# GUIDANCE YOU CAN TRUST

PGS Law is a leading full service law firm, providing expert legal advice to private and business clients.

A modern firm with traditional values, we are based in South Tyneside and have deep roots in the local community. We serve clients from across the North East of England and beyond.

At PGS Law, we pride ourselves on providing a legal service with a difference. Our clients want straightforward, practical advice from people they can trust, so that's exactly what we deliver.

# Employee Rights

## A Comprehensive Service Covering Employee Rights in the UK

Here at PGS Law, we have a significant and successful record of accomplishment in representing employees at all levels in legal disputes.

As employment solicitors, we pride ourselves in understanding the perspective of any individual, however senior and experienced, and their employee rights when pitted against the resources of an organisation.

## We Understand the Workplace, Not Just the Law

We will work with you to identify the best strategy, be that negotiation or litigation, as we combine considerable understanding and application of UK employment law with first-hand experience and knowledge of the workplace.

## Prevention is Better than a Cure

We will work carefully with you to ensure that you do not waste unnecessary time or money on litigation by negotiating with your employer to achieve an appropriate settlement.

## Our Fees

We set our fees at a competitive level and this enables us to combine the delivery of exceptional service levels with first class guidance and advice throughout.
